

REPORT ON EXCURSION FOR CHILDREN

Date : July 2006
No. of Beneficiaries : ____ Children

Unprivileged children from T. Nagar Housing Board were sent on a trip to Mahabalipuram and also to the Tsunami Rehabilitation centre at Kanathur. The children loved the ride. Later they were taken to a park and had their lunch and played on the swings and slides.

The children had a wonderful time. They got an opportunity to express themselves creatively and socialize with other children. This helped them to learn new things and aspire to a better life than that of their parents.
