

REPORT ON MEDICAL CAMP

Date : 12.05.2007
Venue : Dr. Thomas Road, T. Nagar
No. of Beneficiaries : 400

The Cherian Foundation organized a free medical camp in Dr. Thomas Road, where the population has no access or very little access to any form of healthcare. Before the medical camp, survey was done by the professionals to understand the health scenario. Around 400 members were benefited through the medical camp.

Eye Check-up:

In networking with Uma Eye Clinic, we have identified 27 people who are in need of cataract surgery and we have done the follow-up of these patient. They also provided 49 glasses to the patients who are in need of that at the camp itself

Dental Check-up:

Dental Check-up was done by Raga's Dental College. They did eight extractions in the camp itself and they referred others to hospital

General Check-up:

Dr. Srinivasalu helped us in conducting general check-ups and the needy medicines were also given to the patients.

Volunteers from Raj Group, Retractor Club helped us in the medical camp. We also appreciated the efforts taken by Rotarians of Rotary Club of Madras in arranging doctors and medicines.
